

Games We Played as Kids Quiz

A quiz about the games your clients or residents used to play and the toys they used. Play as a group, in teams, or to inspire reminiscence.

Questions

1. This toy won't work unless you sway your hips to keep it from falling to the ground. What is it? _____
2. You need chalk to set this game up and a stone to play it. What game is it? _____
3. This game can only be played with a rope and good jumping skills. _____
4. This toy used to be strapped to your shoes and couldn't be used on grass. _____
5. A game where two people 'battle it out' using nothing but hand gestures representing objects and elements. _____
6. A toy that's no fun unless you set it spinning. _____
7. A game that has two players and uses 'royal' pieces. _____
8. A party game in which you need to be able to hold your breath—and have a taste for apples! _____
9. A card game where you slap your hand down on the pile and shout something to win. _____
10. Small glass spheres used in game play and often collected by children. _____
11. A game where a speaker tries to trick a group by saying (or not saying) a certain phrase to tell them what actions to do. _____
12. A board game where you can 'climb up' or 'slide down'. _____
13. A test of strength and endurance between two teams and one rope. _____
